

Dear Humane Society Friends,

December 2017

The Marion Grant County Humane Society would like to wish a Happy, Healthy and Safe Holiday and New Year to you, your family and your pets.

Unfortunately we cannot make our good wishes and actions reach beyond your home without your support and compassion as you are truly the Humane Society's foundation.

The Humane Society's undertaking in 2018 is to establish a program to alleviate overpopulation of "Community Cats". These are cats born and raised in the wild or cats that have been abandoned or lost and turned wild in order to survive. It is estimated to be 70 million homeless cats each with a different story but one thing in common: an unfixed house cat! Community cats in the United States produce around 80 percent of the kittens born each year.

Trap-Neuter-Return (TNR) which is the non-lethal, humane practice of capturing and spaying/neutering feral cats, then returning them to their colony. To begin this mission we need supplies, humane traps, volunteers, veterinarian services & financial support.

Please know that through the Holidays and for all days each dog and cat needs the very same thing you need and that is to have food, to be warm, to be safe and to be with family. Please make possibilities become realities with your end of the year contribution to help the animals at the Marion Grant County Humane Society.

Sincerely, Brenda Volmer, Adrienne Stambaugh, Ann Zobrosky, Jayne Stuckey, Sarah Ertel, Judy Perez, Teresa Willmann, Mary Marley, Cindy Scott, Kathleen Carlson & Ann Simmons
